Okay, good luck with your travels this week – Mark and Luis are looking forward to the Oklahoma City scouting for CEC.

I am traveling with the Administrator today and have only 25 minutes at 9am tomorrow. Let's try for a phone call update this week if that works for you. Once I get the final CEC itinerary I'll let you know where I have gaps.

Thank you Jane.

Sarah,

Our weekly meeting is scheduled for tomorrow at 3:30pm, but I understand from Mark that you are leaving for Oklahoma City tomorrow afternoon. Do you want to reschedule our weekly meeting tomorrow morning at 9am or this afternoon at 4pm?
